HEAVENS TO BETSY

They'll Pretty Much Spike Anything Here

There's a new lounge with a coffee and tea bar at the Betsy. It's called Conservatory. Careful, though, things could get a little... fun. The coffee has whiskey in it, the tea has rum in it, and the empanadas have foie gras in them. That last one's more delicious than fun. Still.

Now open, Conservatory at The Betsy, 1433 Collins Ave, Miami Beach, 305-531-6100
